

UC Irvine

CLIMATE SOLUTIONS SUMMIT

WHAT DOES IT MEAN TO YOU?

Incorporating Community Voices: The Climate Solutions Summit is an opportunity to engage with UC Irvine researchers, community leaders, stakeholders, and decision makers on climate solution topics. Spend the day learning from each other, finding common ground, and working toward better climate solutions that benefit our communities.

May 30, 2018 · Beckman Center · Irvine, CA

Participants Include:

UCI Climate Researchers
Councilwoman Kris Murray
Climate Reality Leadership Project - Lina Kraemer
OC Dept. of Education - Tom Turner

Summit Topics:

Ocean, water, energy, land management,
education, technology, health, economy,
Infrastructure, community
