

Dear Department,

I wanted to share with you all that both Alberto Soto and Michelle Herrera were awarded at the Latino Excellence Achievement Dinner last night. Alberto received his award from Grad Division and Michelle from the School of BioSci. Both are amazing SACNAS at UCI founding board members and in our EEB program. We at SACNAS UCI are so proud of them!

I have attached a picture from the event. Please let me know if you'd like more information.

Cordialmente,
Evelyn
