# Ecology & Evolutionary Biology Departmental Seminar

**Margaret Rubega**  
University of Connecticut

“Nobody cares what you know:  
How, and why, to talk about your science so that the  
public, the media, and policy makers will listen.”

Friday, November 21, 2014  
**3:00pm**, Natural Sciences 2, Room 4201  
*Followed by a reception on the roof of Steinhaus*

Please contact Professor Tim Bradley: [tbradley@uci.edu](mailto:tbradley@uci.edu) to schedule a meeting with our guest speaker.
